Shwick (feat. Jump Into The Gospel)

I just wanted to fall
I said "believe me"
And then it hit me like a heart attack: Honestly,
we're not in love
We're never gonna be
So why pretend?
Baby can't you see?

It would have been better if we never
There's no turning back for me now
It would have been better,
Should have known better
I don't want to believe

I don't want to talk
And I don't want to sing
stupid love songs (stupid love songs)
that I just can't believe in.
I thought you were the one
But I just can't believe.
Believe in love-
believe un love-
believe in love if it's just a lie x2

Keep tripping on this drug
so we can be in love
Swallow what you sell
so I can never tell
That this is just a dream
it's never what it seems
The totem spins around
I can see it falling down

It would have been better if we never
There's no turning back for me now
It would have been better,
Should have known better
I don't want to believe

I don't want to talk

And I don't want to sing
stupid love songs- stupid love songs
that I just can't believe in.
I thought you were the one
But I just can't believe.
Believe in love-
believe in love-
believe in love if it's just a lie.
(Believe in love it's just a lie x8)

I thought I knew you
But all that I knew
was the girl I wanted you to turn into
I thought you'd have my heart singing
But oh no girl we were so wrong
Baby, baby let me tell you the truth
Any other guy would kill for you
I guess I just couldn't fake it
I won't believe in love if it's just a lie.
