The city is at a war  
A place among the young and rich  
Ignore me if you see me 'cause I just don't give a shit  
The city is at war  
Bless the young and rich  
With designer drugs and designer friends

The city is at a war  
A place among the young and rich  
Ignore me if you see me 'cause I just don't give a shit  
The city is at war  
Bless the young and rich  
With designer drugs and designer friends

Here's how it goes  
It's about who you know  
If you  
Got money you get in for free  
Get on your knees if you wanna reach the top  
The party never stops (never stops)  
Don't stop now (don't stop now)

Come on!  
Stick around and see how it ends  
Get the money and run  
And meet me at the parking lot  
Bang bang! Shoot 'em up yeah

The city is at a war  
A place among the young and rich  
Ignore me if you see me 'cause I just don't give a shit  
The city is at war  
Bless the young and rich  
With designer drugs and designer friends

Oh oh oh oh oh

This little girl was alone in the world  
Until she  
Found a way to get a fix for free  
Oh pretty please  
It breaks my heart to see

Another tragedy she finally got her picture on TV

Come on!  
Live it up while you can  
We all lose in the end  
No you don't get another shot  
Bang bang! Shoot 'em up, yeah

The city is at a war  
A place among the young and rich  
Ignore me if you see me 'cause I just don't give a shit  
The city is at war  
Bless the young and rich  
With designer drugs and designer friends

The city is at war  
The city is at war  
The city is at war  
War oh oh

Bang bang! Shoot 'em up,  
Shoot 'em up, yeah  
Bang bang! Shoot 'em up,  
Shoot 'em up, yeah (the city is at war)  
Bang bang! Shoot 'em up,  
Shoot 'em up, yeah  
Bang bang! Shoot 'em up,  
Shoot 'em up, yeah.
