I'm not one for love songs
The way I'm living makes you feel like giving up
But you don't,
And I want everything for you
But disappointment

'Cause you've been left behind
And the world has its shine,
I would drop it on a dime for you

(Hey oh!)
And whatever it takes
(Hey oh!)
I'm gonna make my way home
(Hey oh!)
We can turn our backs on the past
And start over...

Not long ago
I gave up hope,
But you came along
You gave me something I could hold on to
Woah-oh
And I want you
Oh, woah
More than you could ever know

Before I met you
I used to dream you up and make you up in my mind
(up in my mind)
Woah-oh
And all I ever wanted
Was to be understood
You've been the only one who could
I could never turn my back on you

(Hey oh!)
And whatever it takes.
(Hey oh!)
I'm gonna make my way home
(Hey oh!)
We can turn our backs on the past

And start over...

Not long ago (not long ago)
I gave up hope, (I gave up hope)
But you came along (you came along)
You gave me something I could hold on to
Woah-oh
And I want you
Oh, woah
More than you could ever know (more than you could
ever know)
More than you could ever know
It's you.

Not long ago
I gave up hope,
But you came along.
Gave me something I could hold on to
Woah-oh
(Yeah!)
Not long ago (not long ago)
I gave up hope, (I gave up hope)
But you came along (you came along)
You gave me something I could hold on to
Woah-oh
And I want you
Oh, woah
More than you could ever know
