The candle's burning, ooh oh,  
My head keeps turning to you.  
She slipped so easy away,  
It's her intention, or so they say.

I'm sulfur, a fraction  
You're silver - reaction.  
I wanted to lead you,  
You're just not easy to see through.

The curtain color, went blue,  
I'm always taller when I'm with you.  
I have a paper, a plan:  
I want you more than when, when we began.

I'm sulfur, a fraction  
You're silver - reaction.  
I wanted to lead you,  
You're just not easy to see through.

Ooh ooh...

Ooh oh ooh oh (ooh oh ooh oh)...

I'm sulfur, a fraction  
You're silver - reaction.  
I wanted to lead you,  
You're just not easy to see through.
