For years we stood, side by side  
Heads held high, heart full of pride  
One of a kind, staunch and true  
You turned your back and to this day  
I'm not sure why you run away  
Loyalty means nothing to you

I bet you think it'll be forgotten  
Not a chance, too much, too little, too late

Gotta get out, get out of this place  
Gotta get out, get out of my face  
Gotta get out, get out of here  
[Repeat]

Do you miss the lads do you miss the fun?  
Life's too short when all is said and done  
Sorry ain't enough you're gonna need more than that  
I bet you made it alright in your head  
Twisted every word forgotten what was said  
Don't hold out, for you, there's no way back  
I bet you think it'll be forgotten  
Not a chance, too much, too little, too late

Gotta get out, get out of this place  
Gotta get out, get out of my face  
Gotta get out, get out of here  
[Repeat]

With your hand on your heart can  
You look me in the eye  
And tell me it was all worthwhile  
With your head in the clouds but  
Your feet on the ground  
Come on, tell me it was all worthwhile

Gotta get out [x6]

With your hand on your heart can  
You look me in the eye  
And tell me it was all worthwhile

With your head in the clouds but  
Your feet on the ground  
Come on, tell me it was all worthwhile

Gotta get out, get out of this place  
Gotta get out, get out of my face  
Gotta get out, get out of here  
[Repeat]

Gotta get out of here  
Gotta get out of here  
Gotta get out of here  
Get right out of...
