Only pleasure and pain

Come ease my mind
For my prayers have not been answered in a long time

Things aren't quite as they seem inside my domain
You can't know about everything, only pleasure and
pain
You wonder why I come here with head to my hands
Where else can I be cured and the king of your
mansion
A thorn in your side
And a child to protect that claims he's free

Just around the corner, half a mile to heaven
Strong enough to hold you, starved for some affection
Darling come quickly, come ease my mind
For my prayers have not been answered in a long time

I've already made my bed, like it or not
As long as there's no regrets, I'll be here when the ride
stops
These comforts to me
And these crosses to bear with which we live

Just around the corner, half a mile to heaven
Strong enough to hold you, starved for some affection
Baby, I can't drag you into this mess

I'm the thorn in your side and the child to protect
Yes, yes I'm

Just around the corner, half a mile to heaven
Strong enough to hold you, starved for some affection
Darling come quickly, come ease my worried mind
For my prayers have not been answered in a long time

Just around the corner
Strong enough to hold you
Half a mile to heaven
Just around the corner
