I couldn't tell you  
Why she felt that way  
She felt it everyday  
I couldn't help her  
I just watched her make  
The same mistakes again

What's wrong, what's wrong now  
Too many, too many problems  
Don't know where she belongs  
Where she belongs

(Chorus)  
She wants to go home but nobody's home  
That's where she lies broken inside  
No place to go, no place to go  
To dry her eyes broken inside

Open your eyes (open your eyes)  
And look outside  
Find the reason why (why)  
You've been rejected (you've been rejected)

And now you can't find  
What you left behind

Be strong, be strong now  
Too many too many problems  
Don't know where she belongs, where she belongs

(Repeat Chorus)

Her feeling she hides  
Her dream she can't find  
She's losing her mind  
She's fallen behind  
She can't find her place  
She's losing her faith  
She's fallen from grace  
She's all over the place (yeah!)

(Repeat Chorus)

She's lost inside, lost inside (oh, oh uhh)  
She's lost inside, lost inside (oh, oh uhh) ooh

(End)
