"PINK PEG SLACKS"

I went downtown last night to dig a show

Walked past the display window of a big department store

When I looked inside this window, hangin' on the racks

Down there near the bottom was a great pair of pink peg slacks

Gotta have 'em; what I need for 'em is cash

Well, have a lot of cash & wear crazy pink peg slacks

I walked up to a salesman & said, "Mister, I'm flat broke

But I gotta have them pink slacks!" He said "What is this, man, a joke?"

I asked him how much money; he said "Add 4 & 8"

I said "Man, them pants is crazy, them's pink pair of acetate!"

Gotta have 'em; what I need for 'em is cash

Well, have a lot of cash & wear crazy pink peg slacks

I went to see my baby, asked her for some dough

She said "Well, you know I love you honey, but what you need this money for?"

I told about them baggers I saw across downtown

She got a sawbuck from her daddy & I turned the Ford around

Gotta have 'em; what I need for 'em is cash

Well, have a lot of cash & wear crazy pink peg slacks

Brought the Ford to a stop, rushed into the store

I said "Man, I got a sawbuck"; he said "Sorry, you need
2 bucks more"

I said "What's the matter, can't I charge you?" He said,
"Man, you don't get these things for free"

I said "But mister, you just don't know what those pink
peppers mean to me!"

Gotta have 'em; what I need for 'em is cash

Well, have a lot of cash & wear crazy pink peg slacks
