Uh-Look-ah there
There she comes
Here comes that girl again
Wanted to date her since I don't know when But she
don't notice me
when I pass
She goes with older guys from out of my class
But that can't stop me from-ah thinkin' to myself She's
sure fine
lookin' man
She's somethin' else
Hey look-ah there
Across the street
There's a car made just for me
To own that car would be a luxury
But right now I can't afford the gas
A brand new convertible is out of my class
But that can't stop me from-ah thinkin' to myself That
car's fine
lookin' man
It's somethin' else
Hey look-ah here

Just wait and see
Workin' hard and savin' my dough
I'll by that car that I've be wanting so Get me that girl
and we'll go
ridin' around
The town will be all shocked with my white top down
I'll keep right on and dreamin' and-ah thinkin' to myself
When it all
comes true, man
Wow! That's somethin' else
Look-ah here
What's all this?
Never thought I'd do this before
But here I am ah-knockin' on her door My car's out front
and it's all
mine Just a '41 Ford not a '59
I got that girl and I'm-ah thinkin' to myself She's sure
fine lookin'
man

Wow! She's somethin else
