Friday night, everything's right for the weekend

Crazy clothes, anything goes on the weekend

John got Ann & Jim got Sue

I made a date with little ol' you

Off we went to make a big 10 on the weekend

Boy, it's great, just a-stayin' out late on the weekend

Know a spot & I like it a lot on the weekend

Took a road to Lookout Hill

The view up there is sure a thrill

What a night to hold you tight on a weekend

There we were just sittin' cool & cozy

Just about to steal a little kiss

The police with a flashlight bright & nosy

Sayin', (deep bass voice): "Who do you neck o'er there? What is all this?"

Car top down, just a-ridin' around on the weekend

Took a chance on crashin' a dance on the weekend

We were almost inside the place

When somebody slammed the door in my face

"Hey, you guys have gotta wear ties on the weekend!"

No harm done, just a-havin' some fun on the weekend

That was all, we had a big ball on the weekend

(repeat female "la la la's" & fade)
