Suspicion's breeding here
The town's going insane
It's like a roundup
Boarding people on a cattle train

Anything you can't stop
Paranoia is a remedy
We can do anything we want
Hiding out in Owens Valley

Full moon over Manzanar
A little piece of the rising sun
We'll make a brand new start
And wait for peace to come
A full moon over Manzanar
A little piece of the rising sun
We'll make a brand new start
And wait for peace to come

Ah, but I love my country
I am native born
Are there enough of us
To take the world by storm

Full moon over Manzanar
A little piece of the rising sun (rising sun)
We'll make a brand new start
And wait for peace to come

And wait for peace to come
Without a cause between us
Until this war is won
We've got our pride to keep us
There is no pride

Full moon over Manzanar
A little piece of the rising sun
We'll make a brand new start
And wait for peace to come

(Repeat)

And wait for peace to come
Come on baby
Come on baby
