If I laid down my love to come to your defense  
Would you worry for me with a pain in your chest  
    Could I rely on your faith to be strong  
To pick me back up and to push me along  
    Tell me

    You'll be there in my hour of need  
        You won't turn me away  
        Help me out of the life I lead  
    Remember the promise you made  
    Remember the promise you made

If I gave you my soul for a piece of your mind  
Would you carry me with you to the far edge of time  
    Could you understand if you found me untrue  
    Would we become one or divided in two  
        Please tell me

    You'll be there in my hour of need  
        You won't turn me away  
        Help me out of the life I lead  
    Remember the promise you made  
    Remember the promise you made

    Could I rely on your faith to be strong  
To pick me back up and to push me along  
        Please tell me

    You'll be there in my hour of need  
        You won't turn me away  
        Help me out of the life I lead  
    Remember the promise you made  
    Remember the promise you made

    Remember the promise you made  
    Remember the promise you made
