Hard headed nigga bitch, die by the trigger trick
Chillin' wid my nigga Slick, kickin' pimpin' on a brick
Every fuckin' day, Parkway chiefin' plenty hay
What ya gotta say, Gabay where a nigga stay
V-Dog's comin' at ya wid the mind of lunatic
Bitch you cannot fuck with this, standin' with the pistol

Loadin' up my shells, I smells me an enemy
Damn if a nigga don't die 'fore he get to me
Ride with the Luger let it go, let it fuckin' go

[Verse 3: Gangsta Blac]

People all up in my head, put my cousin down to sleep
Vietnam, here I come, see if you can deal with me
Anna's in the air, all you smell is the scent of shit
Gunshots, Kill you just for the fuck of it
Pop I blow I smoke, I blow I smoke 'em out there just like
grass
S-P-V, R-I-C, creped up on your monkey ass
Mitchell Heights, B-V-D, L-M-G, and many more
S-P-L might as well get it cause you know the score
Buck fuck stuck wid a duck, I don't need this
Big business motherfucka be a witness
I was a fool cause back in school didn't learn shit
Totin' a jewel it was a rule in the South shit
