Saw you walking down the street
Flares n slippers on your feet
You was knocke from head to toe
Are you smart. no no no

Flares n slippers [x3] oi
Flares N slippers [x3] are on your feet

Saw you walking down the street
Flares n slippers on your feet
5 foot 1 fat bottom guy
His bodies shot
Let them die

Flares n slippers [x3] oi
Flares N slippers [x3] are on your feet
Saw you walking down the street
Flares n slippers on your feet
You was knocked from head to toe
Are you smart. no no no

Flares n slippers [x3] oi
