Cock Sparrer

Run For Cover [Pretty Close To Correct]

Can't eat, don't sleep no more.  
Whatever you said, It's all been said before.  
Spent too much time drinking whiskey and beer,  
Times coming for a change around here.

Chorus

I'm the kid with the lq,  
And I'm coming to get you,  
Ain't nothing for you to do,  
Except to run for cover,

I've got you sussed now,  
what you gunna do?  
[Some Verse Goes Here]  
Just walk up from me to you,  
No more hiding now, I'm on the loose,  
I'm telling you baby, there is really no use.

Chorus.

I'm the kid with the lq,  
And I'm coming to get you,  
Ain't nothing for you to do,

Except to run for cover,

[Solo]

You can't eat, don't sleep no more.  
Whatever you said, It's all been said before.  
Spent too much time drinking whiskey and beer,  
times coming for a change around here.  
All around here,

Chorus:

I'm the kid with the lq,  
And I'm coming to get you,  
Ain't nothing for you to do,  
Except to run for cover,

Your gunna run for cover,  
Your gunna run... for cover, Oooh, Oooh, Please.
