ARE YOU READY TO RUCK!!!
come on
any time

They aint gonna be no argument
There aint gonna be no sentiment
I dont like what you just said
Now I'm gonna smash your head

R-R-R-R-R are you ready to ruck
R-R-R-R-R are you ready to ruck

I dont care if you use a glass
I'm gonna put you on your arse
You aint gonna want no more
Cos your gonna end up on the floor

R-R-R-R-R are you ready to ruck
R-R-R-R-R are you ready to ruck

There aint goona be no argument
There aint gonna be no sentiment
I'm gonna steam you cos I dont care
First the rules, theres no pulling hair

R-R-R-R-R are you ready to ruck
R-R-R-R-R are you ready to ruck
are you ready to ruck
are you ready to ruck
are you ready to ruck
are you ready to ruck
