Before I Fall in Love Lyrics

[Verse 1:]

My heart says we've got something real
Can I trust the way I feel
Cuz my heart's been fooled before
Am I'm just seeing what I want to see
Or is it true
Could you really be

[Chorus:]

Someone to have and hold
With all my heart and soul
I need to know
Before I fall in love
Someone who'll stay around
Through all my ups and downs
So tell me now
Before I fall in love

[Verse 2:]

And I'm at the point of no return
So afraid of getting burned
But I wanna take a chance
Oh please
Give me a reason to believe
Say you're the one that you'll always be

Someone to have and hold
With all my heart and soul
I need to know
Before I fall in love
Someone who'll stay around
Through all my ups and downs
Please tell me now
Before I fall in love

[Bridge:]

It's been so hard for me
To give my heart away
But I would give my everything
Just to hear you say...

Someone to have and hold
With all my heart and soul
I need to know
Before I fall in love
Someone who'll stay around
Through all my ups and downs
Please tell me now
Before I fall in love
