(Hot, hot)

Baby, no doubt gotta show me what it's about

Baby, no doubt gotta show me what it's about

Boy, lets make it hot

What you say your name was? I'm kinda tipsy

Sippin' on Corona

(Damn, baby)

I see you try to get some but you should know

I don't get down with just anyone, uh, uh

But you ain't gotta worry, boo

Got a style and a body that I'm feeling too

And I might wanna take you home with me tonight

If you're ready, daddy, hit the lights

Let me know what you can do

'Cause I'm gonna show you all about

Baby, ain't no doubt, take me to the top, don't stop

If you're ready, daddy, come tonight

Let me see your body shine

'Cause you're hot enough to do me right

Baby, ain't no doubt, take me to the top, don't stop

Girl, you make it hot, CoCo Lee, ya

CoCo Lee, I'll take you home with me, ya

Baby, now we're freakin'

We'll be crunk getting crazy on the weekend

If you're thinking what I'm thinking

Let me know, in a minute we'll be leaving

The only thing that's left to do

Is to get you dirty, dirty all up in the room

'Cause you know you're gonna get it on with me tonight

If you're ready, daddy, hit the lights

Let me know what you can do

'Cause I'm gonna show you all about

Baby, ain't no doubt, take me to the top, don't stop

If you're ready, daddy, come tonight
Let me see your body shine
'Cause you're hot enough to do me right
Baby, ain't no doubt, take me to the top, don't stop
(Girl, you make it hot)

Baby, no doubt gotta show me what it's about
(Hot)
Baby, no doubt gotta show me what it's about
(Hot)

No doubt, if you're ready, daddy, turn the lights out
'Cause I'm gonna show you what it's about
Girl, I love how we be getting down
(Girl, you make it hot)

If you're ready daddy, hit the lights
Let me know what you can do
'Cause I'm gonna show you all about
Baby, ain't no doubt, take me to the top, don't stop

If you're ready, daddy, come tonight
Let me see your body shine
'Cause you're hot enough to do me right

Baby, ain't no doubt, take me to the top
Don't stop
(Girl, you make it hot)

If you're ready, daddy, come tonight
Let me see your body shine
'Cause you're hot enough to do me right
Baby, ain't no doubt, take me to the top, don't stop

Don't stop, don't stop
Uh, don't stop
Uh, take it to the top
Don't stop, what it's all about
(Hot, hot)
