Let me get that.
Uh-uh-uh-uh -
yeah that's it.
You feel that? I know you feel that... Let's ride.

[Verse 1]

Big Daddy close the door.
What are you waiting for?
I'm crawling on the fours.
Come join me on the floor.

I want this rug to burn.
You're greedy it's my turn.
You've got a lot to learn.
Cause I'm on this job to work.

[Pre-Chorus]

Hush now - whose is it
Don't talk - just hit it
I need a little more - than a minute
I wanna pass out - with you in it
Don't stop - baby take it
Deeper - till you break it
Open - cause I need it.
Harder, harder, harder, harder

[Chorus]

I feel your flow
The vibe is so sexual
Got me feeling like letting go
Think I'm gonna ride you all night long
Cause this feel so, so, so, good...So, so, so, good...
Oh -
I know you feel that.
Yeah - uh

[Verse 2]

Lay back and just relax.
Don't mind the candlewax.
With nails upon your back.
I'll do it just like that.
Lust sitting on your face

Tongue kiss my inner place
And as I start to shake
A sensual escape

[Pre-Chorus]

Hush now - whose is it
Don't talk - just hit it
I need a little more - than a minute
I wanna pass out - with you in it
Don't stop - baby take it
Deeper - till you break it
Open - cause I need it.

Harder, harder, harder, harder

[Chorus]

I feel your flow
The vibe is so sexual
Got me feeling like letting go
Think I'm gonna ride you all night long
Cause this feel so, so, so, good...So, so, so, good
I feel your flow
The vibe is so sexual
Got me feeling like letting go
Think I'm gonna ride you all night long
Cause this feel so, so, so, good...So, so, so, good
I feel your flow.

[whispers]

Give me some of that.
Whose is it
Just hit it
Till you break it
Cause I need it.
Yeah - cause I need it.

[Chorus]

I feel your flow
The vibe is so sexual
Got me feeling like letting go
Think I'm gonna ride you all night long
Cause this feel so, so, so, good...So, so, so, good
I feel your flow
The vibe is so sexual
Got me feeling like letting go
Think I'm gonna ride you all night long
Cause this feel so, so, so, good...So, so, so, good
