(feat. Julio Iglesias)

[Julio]

I wanna feel this way longer than time
I wanna know your dreams and make them mine
I wanna change the world only for you
All the impossible i wanna do

[CoCo]

I wanna hold you close under the rain
I wanna kiss your smile and feel your pain
I know it's beautiful looking at you
You're in a world of lies, you are the truth

[Both]

And baby, every time you touch me, I become a hero
I'll make you safe no matter where you are
And bring you anything you ask for, nothing is above me
I'm shining like a candle in the dark
When you tell me that you love me

[Julio]

I wanna make you see just what i want
Show you that loneliness and what it does

[CoCo]

You walked into my life to stop my tears
Everything is easy now, I have you here

[Both]

And baby, every time you touch me, I become a hero
I'll make you safe no matter where you are
And bring you anything you ask for, nothing is above me
I'm shining like a candle in the dark
When you tell me that you love me

[Bridge - Both]

In a world without you (Without you)
I will always hunger
All i need is true love to make me stronger
Yea.....

[Both]

And baby, every time you touch me, I become a hero
I'll make you safe no matter where you are
And bring you anything you ask for, nothing is above
me
I'm shining like a candle in the dark
When you tell me that you love me

[Julio]

When you tell me that you love me

[CoCo]

When you tell me that you love me

[Both]

When you tell me that you love me
