Slowly we're dancing underneath the pale moonlight
Slowly we're talking underneath the pale moonlight
She was my fancy underneath the pale moonlight
Sweetly she's singing three part harmony
Softly she's speaking something good to me
She was my fancy underneath the pale moonlight
Uh huh
Underneath the pale
Moonlight
And now it's up to you to say
What is gonna come my way
I will put my heart in your hands
And now it's up to you to say
What is gonna come my way
I will put my heart in your hands
Slowly we're dancing underneath the pale moonlight
Slowly we're walking underneath the pale moonlight
She was my fancy underneath the pale moonlight
Uh huh
Underneath the pale moon
Underneath the pale moon
Underneath the pale moonlight

She looked sleepy as she sat in the sun then she
started to cry
And held me tightly as she started to sing this time's
really goodbye

She looked sleepy as she sat in the sun then she
started to cry
And held me tightly as she started to sing this time's
really goodbye
Yeah this time's really goodbye
Alright
This time's really goodbye
