If it's a summer day  
With not a cloud in sight  
Then tell me why  
It feels like it might  
Rain on me  
Rain on me

If it's a summer day  
It's a summer day  
With not a cloud in sight  
Not a cloud in sight  
Then tell me why  
Tell me why  
It feels like it might  
Feels like it might  
Rain on me  
Rain on me

Boo ba buh buh buh  
Shoo sha shoo sha why  
Shoo sha shoo shy why  
Krispy koo coo quo  
Krispy koo coo quo  
Oh mah goshona way  
Oh mah goshona way

Rain on me  
Rain on me  
Rain on me  
Rain on me

If it's a summer day  
With not a cloud in sight  
Then tell me why  
It feels like it might  
Rain
