For a second there i thought you disappeared  
It rains a lot this time of year  
And we both go together if one falls down  
I talk out loud like you're still around  
No noo  
And i miss you (ooooh')  
I'm goin back home to the west coast  
I wish you woulda put yourself in my suitcase  
I love you  
Standin all alone in a black coat

I miss you

I'm goin back home to the west coast  
And if you shake her heart enough she will appear  
Tonight i think i'll be stayin here  
And you never did like this town  
I talk out loud like you're still around  
No nooo  
And i miss you (ooooh')  
I'm goin back home to the west coast  
I wish you woulda put yourself in my suitcase  
I love you  
Standin all alone in a black coat

I miss you

I'm goin back home to the west coast  
Come on everybody

Lalalalaaaa, lalalalaaa  
Lalalalaaaa, lalalalaaa

So pack up the bags to beat back the clock  
Do i let her sleep or should i wake her up  
You said  
We both go together if one falls down  
Yeah right, heh  
I talk out loud like you're still around  
No noo  
And i miss you (ooooh')

I m goin back home to the west coast  
I wish you woulda put yourself in my suitcase  
I love you  
Standin all alone in a black coat

I miss you

I'm goin back home to the west coast  
Lalalalaaaa, lalalalaaaa  
I'm goin back home to the west coast  
Lalalalaaaa, lalalalaaaa  
I 'm goin back home to the west coast

Lalalalaa  
Lalalalaa
