And no one can't stop that, (that)  
Well some of dem are just smart,  
And some ah take back dem chant. (cho')  
And some of dem who was racist,  
Jumping and dancing in the street,  
In a shout of;

And it is not John McCain. (Obama!)  
It is not Chuck Norris. (Obama!),  
And I know it's not John Wayne. (Obama!),

And keep your eyes on the prize. (Obama!)  
'Cause now none of them realize,  
The black man is in their eyes. (Obama!)

Well it's no joke, it's a fact,  
We're gonna paint the white house black. (Obama!)  
And I can't believe it's true,  
Black gonna run the red, white and blue.  
Dem a shout out;

Barack Obama, Barack Obama, Barack Obama, woy,  
woy.  
Dem say;  
Barack Obama, Barack Obama, Barack Obama, woy,

Me callin' all of the Indians. (Obama!)  
Who live up on the reservation. (Obama!)  
The Japanese and all the China-men. (Obama!)  
The Hindu and all the Mexicans. (Obama!)

A time 'till we chime up as one,  
And shout out;

Barack Obama, Barack Obama, Barack Obama,
