Nana... Lord  
Nana... yeah

True lovin' - don't come easy,  
Hold me - and squeeze me,  
I wanna feel - your magnet to my steel.

So come love me - ore leave me,  
Please me - but don't tease me,  
I wanna feel - your magnet to my steel.

I wanna love that is real,  
With sympathatic feeling - a touch I can feel,  
Not only someone - to give me my meal,  
But someone who's always - there for I for real.

I need a love that is strong,  
Someone that I - can depend on,  
Yes when I'm down and out - I need a helpin' hand  
She will be always - there for I for real.

Because true lovin' - don't come easy,  
Hold me - and squeeze me,  
I wanna feel - your magnet to my steel.  
Love me - ore leave me,  
Please me - but don't tease me,  
I wanna feel - your magnet

I wanna spent a an other lonely night. (Hoe wie, baby)  
So I'm lookin' for a woman to call - my wife. (see that  
darling)  
This will be sweet lovin' for live,  
I'll promise you - everything will be allright

So come, come love me - ore leave me,  
Please me - don't tease me,  
I wanna feel - your magnet to my steel.

True lovin' - don't come easy,  
Love me - ore leave me,  
Hold me - and squeeze me,  
Please me - don't tease me,

I wanna feel - your magnet to my steel.  
I wanna feel - your magnet to my steel.
