You never had any fun, so I won't come around.
You never had anyone, so I won't let you down.
You never had any fun, so I won't come around.
You never had any fun, any fun. Noooo.

Down in the basement, alone with the high hopes,
alright. Alright.
Well, it's a downpour and the water, it is rising.
And yes, she's a system and the plan, so devising.
Let's go!

You never had any fun, so I won't come around.
You never had anyone, so I won't let you down.
You never had any fun, so I won't come around.
You never

Alright. Help in? and the hits keep on coming.
I said back to the old way, yeah, just long distance
running.
So we had little argument outside the bar.
If you get in our apartment, to get out to the car.
Make it look real when you pretend to feel, alright.
Alright. Alright.

You never had any fun, so I won't come around.
You never had anyone.
You never had any fun, so I won't come around.
You never had anyone.
