You are
An easy girl to love
An easy girl to kiss
An easy girl to miss when you're gone
I say girl
You say yeah
I love you
Easy girl
Please say
I do

And in
The morning
When it's cold
An easy girl to hold
And even when we're old and gray
I said girl
You say yeah
Well I love you
Easy girl
Please say
I do

Easy girl
Easy girl
When you go
When you go
Well my heart goes blind and the sun don't shine
Easy girl if you die then too so shall I
And I'll lay next to you in that grave side by side

I say girl
You say yeah
I love you
Easy girl
Please say
I do
Oh yeah
Easy girl
Please say
That I do
