Waiting for things to come through
I don't know lately, how about you?
Wake me up when you get home
Crawl in bed with your telephone

And it's always summer back in Alabama
And I miss you forever, honey
More than you will know

Waiting for things to come back
Sitting here, baby, so off track
I don't know what to expect
I always take what I can get

And it's always summer back in Alabama
And I miss you forever, baby
More than you will know

Yeah, it's always summer back in Alabama
And I miss you forever, honey
More than you will know

Uh huh more than you will
More than you will
More than you will know

Waiting for things to come through
I don't know, baby, how about you?
Wake me up when I get home

Oooh oooh

And it's always summer back in Alabama
And I miss you, honey
More than you will know

Yeah, it's always summer back in Alabama
And I miss you, honey
More than you will know

Uh huh, more than you will know
