When he pushes away
Like he's gonna have to make me
He gladdens

When he pushes away
Like he's gonna have to make me
He gladdens

Oh, please
Please
When he pushes away
Like he's gonna have to make me
He he he he he he

It's so good to have a man
It's so good to have him check him out
Saliva peeks from his trail
I gained a lot of advice from him

It's so good to have a man
It's so good to have him check him out
Saliva peeks from his trail
I gained a lot of advice from him

Oh, please
Please
It's so good to have a man
It's so good to have him check him out
At night
Oh, please
Please
It's so good to have a man
It's so good to have him check him out

When he pushes her back
Like he's gonna have to make me
Saliva peeks from his trail
I gained a lot of advice from him
It's so good to have a man
It's so good to have him check him out
Saliva peeks from his trail

I gained a lot of advice from him

When he pushes her back
Like he's gonna have to make me
Saliva peeks from his trail
I gained a lot of advice from him
It's so good to have a man
It's so good to have him check him out
Saliva peeks from his trail
I gained a lot of advice from him

Oh, please
Please
When he pushes her back
Like he's gonna have to make me
Please
Please
It's so good to have a man
It's so good to have him check him out
My love
