When I lost him ache,
Shudder shock of pale
My, my true love
Nicolo(whatever)these days are
Smoking by
Though he won't see
(Deceived me)You deceive me
(With you)Erase it I will not
(To stay)Touching a hilix
(I, I will plead)Blotting an excuse you
(Alice, alice, alice, alice, alice)
Would share,
(Alice, alice, alice, alice, alice)
Who shall
(Alice, alice, alice, alice, alice)
Replace
(Alice, alice, alice, alice, alice)
You

When I lost him ache,
Shudder shock of pale
My, my true love
Nicolo, this mess I smoke away
And he won't see
(Pushing me)Oops she fell
(With you)Racin her bike
(So you)touching her lies
(Not me)
