I once fell in love with you, just because the sky turned
from grey into blue.

I once fell in love with you, just because the sky turned
from grey into blue.

I once fell in love with you, just because the sky turned
from grey into blue.

I once fell in love with you, just because the sky turned
from grey into blue.

It was Good Friday, the streets were open and empty.
No more passion play on Saint Nicholas avenue.
I believe in Saint Nicholas, it's a different type of Santa
Clause.

I believe in Saint Nicholas, it's a different type of Santa
Clause.

I believe in Saint Nicholas.

I believe in Saint Nicholas, it's a different type of Santa
Clause...

Yes, I believe in Saint Nicholas.

I believe in Saint Nicholas, it's a different type of Santa
Clause.

I believe in Saint Nicholas.
