Hidden to your heavy side  
I couldn't tell your head is so deep  
Hidden to her own hidden account  
I must have let her dame holes  
Hidden to your heavy side  
I couldn't tell your head is so deep  
Hidden to her own hidden account  
I must have let her dame holes  
Hidden to your heavy side  
I couldn't tell your head is so deep  
Hidden to her own hidden account  
I must have let her dame holes  
Hidden to your heavy side  
I couldn't tell your head is so deep  
Hidden to her own hidden account  
I must have let her dame holes  
Hidden to your heavy side  
I couldn't tell your head is so deep  
Hidden to her own hidden account  
I must have let her dame holes
