Get off the car
Kick his chain, kick his pride
Get him soaked hit run
Lift up your toes
In my mouth
And we can make love
And we can go(x5)
We're covered by the sacred fire
When you come to me, you come to broke
(x2)

Without a doubt (x15)

We're covered by the sacred fire
When you come to me, you come to me broke
Guilty girl, guilty boy
Get to make out
Him chocked with mousse
Lift up your toes
In my mouth
And we can make love
And we can go
(x2)
