Two different fates; my love paramour ooze out and
away

Two different fates; my love paramour ooze out and
away

Two different fates they fig up my love ooze out and
away

Two different fates

My love paramour ooze out and away onehow

Love if it's swallowed for pity must ooze out and away
onehow

Love if it's swallowed for pity must ooze out and away
onehow

Two different fates of my love paramour ooze out and
away onehow

(x2)

Two different fates

My love paramour ooze out and away onehow
