(I'm in love with hers)
Our room, a hot and big and kick and burn our group
Attack our tacky home
(I'm in the lights with him)
I feel I'm cheating when I sing shudder
And can I and mourn and tis an arm for us
(I'm at home in the lance)
I feel I've been
(ferdinand and was sad a lot in her house)
(falling over hers)
Feed me you've pretended if I were you
To fall for her for little ferdinand fast kettle
(ferdinand and was sad a lot in her house)
For good for better fred is dead will flee I'll feef
Aloof from waft a coffee effort
(I'm at home in lance)
Falled on yanks
(ferdinand and was sad a lot in her house)
