Gotta, gotta, gotta gain his voice  
On pepper tree  
Harden, harden, harden dont's and wont's  
My easel she  
You gotta, gotta, gotta gain his voice  
On purple scotch  
Harden, harden, harden dont's and wont's  
My easel touch  
Gain his voice  
On pepper tree  
Heart's been swallowed whole  
Who's real muse and she  
You gotta, gotta, gotta gain his voice  
On purple scotch  
Harden, harden, harden dont's and wont's  
My easel touch  
Gain his voice  
On pepper tree  
Heart's been swallowed whole  
Who's real muse and she  
Heart's been swallowed whole  
Who's real muse and she  
You gotta, gotta, gotta gain his voice  
On purple scotch  
Harden, harden, harden dont's and wont's  
My easel touch
