I, I will stay focused
When the thoughts do land
It's positive reinforcement
This sense of movement
This place, enjoy it
It gives me a new sense of progress
Tells me I've got capacity to improve
Yes, I will stay focused
When the thoughts do land
This place, enjoy it
This place, enjoy it (x2)
(Enjoy it)
Because (x10)
The wheel turned (x2)
(The wheel turned)
(x2)
This place, enjoy it (x2)
(It's your turn)
Because (x10)
The wheel turned (x2)
(The wheel turned, yeah)
This place, enjoy it (x2)
Because (x10)
(The wheel turned, yeah)
The wheel turned (x2)
