I fell in love with a bad bad man
Every since I met him
I've been sad sad sad
I'm a jailbird to your music
A criminal in your prayer
I watch you in your sleep
Even when you're not there

Rainbows wept color all over the streets
When you went away maybe one day we'll meet

Lipstick I'd wear for one million years
Just to stop your eyes from falling down tears

I fell in love with a bad bad man
Every since I met him
I've been sad sad sad
I'm a jailbird to your music
A criminal in your prayer
I watch you in your sleep
Even when you're not there

Rainbows wept color all over the streets
When you went away maybe one day we'll meet
One day we'll meet
One day we'll meet
One day
We'll meet
