C'est l'histoire d'un homme
Au coeur de bois
La mer est calme
Sous l'ocran de la cam ra
Comme une ampoule electrique grill e
Dans un seau d'eau

The sea is calm
Through the video camera
Like a dead light bulb
In a bucket of water
Yes in a bucket of water

The sea is calm
Through handmade lenses
Like animals
In soundless dream
Like animals
In bottles of butter
A miniature sailboat
Tin foil and paper
The waves are big
And there's a warm wind...

Il est sous le feu des projecteurs
D'un soleil cass 
Il a jet  son corps comme une ancre
Comme un morceau de sucre
Et s'est dissout

He's in the spotlight of a broken sun
He dropped his body like an anchor
Like a lump of sugar
And he dissolved

On the anniversary of his death
She drew a beautiful picture of a whale
She drew a picture of a whale
She drew a beautiful picture of a whale
She drew a beautiful picture of a whale

Pour l'anniversaire de sa mort...
