The Spangle Maker

1 The Spangle Maker

He's the droplets

He's that droplet on my truth(?)

He's the spangle

He is that spangle maker

Oh, for that's

Awful that worked it shattering heads

She is his

She's his spangle baby

And the rest made sure it's the droplet

Singing

Broke and winded

Broke and winded

Whistling

(x2)

He's the droplets

He's that droplet on my truth(?)

He's the spangle

He is that spangle maker

And the rest made sure it's the droplet

Singing

Broke and winded

Broke and winded

Whistling

(x2)

He's the droplets

He's that droplet on my truth(?)

He's the spangle

He is that spangle maker

And the rest made sure it's the droplet

Singing

Broke and winded

Broke and winded

Whistling

(x2)

He's the droplets

He's that droplet on my truth(?)

He's the spangle

He is that spangle maker

His part of the plan, it hadn't gone and there you are
It scattered then, it didn't bond and there you are
Oh, perhaps it's just the droplet singing
Broke and winded, I whistle and there you hide
(x3)

2 Pearly-Dewdrop's Drops

Ruby songs

When Roddy comes

Ruby songs in Roddy

Cause the pearly dewdrop's drops

Squeaks a lark with Polly

Cause the pearly dewdrop's drops

Ruby songs when Roddy comes

Comes the pearly dewdrop's drops

Can tease the lucky lucky tiny tiny tiny

Visor pearly dew drips those

Taciturn to follow

So to turn to loan him these

Bruised your eye on her stuff

So if we send the Roddy song

Ruby song to Roddy

3 Pepper-Tree

Gotta, gotta, gotta gain his voice

On pepper tree

Harden, harden, harden don'ts and won'ts

My easel she

Ya' gotta, gotta, gotta gain his voice

On a purple scratch

Harden, harden, harden don'ts and won'ts

My easel attatch

Gain his voice

On pepper tree

Hardened swallow whole hose

Real muse and she
