Let me, let me, tell more mouth  
Bold eyes  
Oh no no no don't don't don't

Will they let me tell more mouth  
Bold eyes  
Oh no no don't don't don't don't

(all I got from the background is 'say it say it say it say it')

Yes I'm in love  
Yes I'm in love  
And afraid to see you  
Til the next one  
Yes I'm in love  
Yes I'm in love  
And afraid to see you  
Your wrath

Do we deny then  
Worth we have yet had chorus  
Desperate gender  
No  
Are we united  
worth we have yet had  
Desperate angel  
No

Are we agreed  
Now we are free  
To the feelings we should have  
They've all gone dancing  
Now we agree  
Now we are we  
And the feelings we should have  
They've all gone dancing

chorus

Feels  
Now we are angels

Excellent deal  
Soon all of it falls  
repeat 2x
