Sorrow for letting someone else define you  
Know who you are at every age  
What impression am I making?  
I see me as other people see me

There is no going back  
I can't stop feeling now  
I am not the same, I'm growing up again  
I am not the same  
I'm growing up again  
There's no going back I can't stop feeling now

I had to fantasize  
I was a princess, mum and dad were queen and king  
I ought to have what feeling?  
I see me as other people see me

There is no going back  
I can't stop feeling now  
I am not the same, I'm growing up again  
I am not the same  
I'm growing up again  
There's no going back I can't stop feeling now

Feeling now

There is no going back, and  
I can't stop feeling now  
I am not the same, I'm growing up again  
I am not the same  
I'm growing up again  
There's no going back I can't stop feeling now

I had to fantasize  
Just to survive  
I was a famous artist  
Everybody took me seriously

Even those who did  
Never understood me  
I had to fantasize  
Just to survive
