

## Cocteau Twins "For Phoebe Still Baby"

Visit "[For Phoebe Still Baby](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Little Phoebe  
Who I've never seen  
Had you asked, I'd be right out

And maybe  
In a good time  
Phoebe, then I'll tuck you in

How is it  
Listen angel  
You do  
Listen angel  
Run along and shine the world  
This night, angel  
Don't tell  
Please smile on, angel  
Run along and shine the whole night away

And, say  
And maybe  
In a good time  
Phoebe then I'll tuck you in

Little phoebe  
Who I've never seen  
Had you asked, I'd be right out  
For love feels

Listen angel  
Feels  
Listen angel  
Run along and shine the world  
This night, now, angel  
It's all the same  
Listen, now, angel  
Run along and shine the whole world, angel

How is it  
Listen angel  
You do  
Listen angel  
Run along and shine the world

This night, angel  
Don't tell  
Please smile on, angel  
Run and shine the whole world now, my angel
