Head Over Heels

1 When Mama Was Moth

Sunburst and snowblind
I'd seen the(I shouldn't fear) fear running down my
brook
While mama was clear(queer), one more brook
Chills all start screaming
Ribbed and veined

The sunburst and the snowblind
I'd seen the(I shouldn't) fear running down my brook
When mama was moth, I took bulb form
Body electric
Writhe in vain

Body electric

2 Five Ten Fiftyfold

Wheezing and sneezing
Tenfold it blew apart
It halved it in half
And went gushing gust wind

Five ten fiftyfold
Five ten fiftyfold

Wheezing and sneezing
And in hand a little hand(It halved it in half)
By taking it forward
It went gushing gust wind

Five ten fiftyfold
Five ten fiftyfold

Wheezing and sneezing
Tenfold it blew apart
When gushing gust winds

Turned just up north

Wheezing and sneezing
In hand a little hand
By taking it forward
It went gushing gust wind

Five Ten Fiftyfold (5x)

Wheezing and sneezing and
Sneezing and wheezing and sneezing and
Sneezing and wheezing and sneezing and
Sneezing and wheezing and sneezing and

Five Ten Fiftyfold (3x)

3 Sugar Hiccup

Sugar hiccup, hiccup
Sugar hiccup
Makes the earth tough and tumble
Sugar hiccup
Heavens curtsey and bow
Sugar hiccup
Makes a pig soar and swoon
Sugar hiccup
Sugar hiccup or(while) she reels
Sugar hiccup
Sugar hiccup or she reels
Sugar hiccup

Sugar hiccup, hiccup
Sugar hiccup
Makes the earth tough and tumble
Sugar hiccup

Sugar hiccup or she reels
Sugar hiccup (4x)

Heavens curtsey and bow
Sugar hiccup
Makes a pig soar and swoon
Sugar hiccup

Heavens curtsey and bow
Makes a pig soar and swoon now
Sugar hiccup or she reels
Sugar hiccup, hiccup now
Sugar hiccup, hiccup
Makes the earth tough and tumble

4 In Our Angelhood

He's gonna chalk you out
In his angelhood
He's got the love, let- let us
Like he said he would, like he said he would
He's gonna chalk you out
In his angelhood
Please stand alone and let us
Like he said he would, like he said he would
Like he said he would

Like he said he would (5x)

Like he said, the angelfish
In our angelhood
Now our heart's on the edge
Like you said they would, like you said they would
We're truly angelfish
In our angelhood
Now our heart's on the edge
Like you said they would, like you said they would
Like you said they would

In our angelhood (3x)

Judging you
Angelhood
Judging you
In our angelhood (3x)
Judging you
Angelhood
Trust in him
In our angelhood (3x)
Judging you
Angelhood
Judging him
In our angelhood (3x)

5 Glass Candle Grenades

There's only our hair's breadth between us, obscure as
we are
Obscure as we are, there's only our hair's breadth
between us
There's only our hair's breadth between us, as sure as
we be
As sure as we be, there's only our hair's breadth
between us

Glass sandstorms Still we'll not keel over
Glass candle Keel over

Grenades are popping Keel over

Keel over

6 In The Gold Dust Rush

I weigh my life and it's got me old fool gold

In the gold dust rush I can only genuflect

In the gold dust rush
Honey(her knee) is horrible
In the gold dust rush
There's locusts in(hidden) there
She's got the old fool gold

I weighed my life and it's got me old fool gold
In the gold dust rush I can only genuflect
I weighed my life and it's got me old fool gold

7 The Tinderbox (of a Heart)

They are beaten
You'd feel danger there

(repeats throughout)
Ruby edged are beaten
You'd feel danger there

How heavy you are and this faded hatch
Tinderbox of a heart left a shell is all

Bleed in your thing's ground ruby edge
It's so bloody and blunt, big crystal eyes
How heavy you are spinning your half
Tinderbox of a heart left a shell is all

8 Multifoiled

No longer multicolours, multifoiled
I'm in multifoils
And time opens wounds, yes
I'm no longer multicolours, I'm just multifoiled

For worth this love for I'm more like plaster
I'm no longer multicoloured, I'm just multifoiled

Ears were filled again
That died of what was sweetest
I'm no longer multicolours, I'm just multifoiled

9 My Love Paramour

Two different fates my love paramour ooze out and
away

Two different fates my love paramour ooze out and
away

Two different fates they fig up my love ooze out and
away

Two different fates
My love paramour
Ooze out and away
Onehow

Love if I swallow for pity must ooze out and away
onehow

Love if I swallow for pity must ooze out and away
onehow

Two different fates of my love paramour ooze out and
away onehow

10 Musette and Drums

Did it again
We're fast follow trained, yes
Money and
Watching gets too hard
Writes a song
The favor of Juliet's
Somebody's
She turned thirteen oh

Tragedy end
Am I pretty enough

Musette and drums
Our answer Juliet's
Somebody's
She turned thirteen oh

Writes a song
The favor of Juliet's
Somebody's
She turned thirteen oh

Tragedy end
Am I pretty enough

Musette and drums
Watching is too
