He's gonna chalk you out
In his angelhood
He's got the love, let- let us
Like he said he would, like he said he would
He's gonna chalk you out
In his angelhood
Please stand alone and let us

Like he said he would, like he said he would
Like he said he would
Like he said he would
Like he said he would
Like he said he would
Like he said he would
Like he said he would
Like he said, the angelfish
In our angelhood

Now our heart's on the edge
Like you said they would, like you said they would
We're truly angelfish
In our angelhood
Now our heart's on the edge
Like you said they would, like you said they would
Like you said they would

In our angelhood

In our angelhood

In our angelhood

Judging you, angelhood, judging you

In our angelhood

In our angelhood

In our angelhood

Judging you, angelhood, trust in him

In our angelhood

In our angelhood

In our angelhood

Judging you, angelhood, judging him

In our angelhood

In our angelhood

In our angelhood
