Peppermint Pig

1 Peppermint Pig

Why you must come in by the overland
It's slightly less snarled, I suppose
Why you must come in by the overland
I'm waiting for the moment, I suppose
You're finding the switch of
The peppermint pig stage
Burning the treasure

While not eating the money

Why you must come in by the overland
It's slightly less snarled, I suppose
Why you must come in by the overland
I'm waiting for the moment, I suppose
That bunch can be deadly and
That bunch can be so experienced

2 Laugh Lines
