He'll be flied away  
From those choices that they took  
Naked and caught on the Isle de la Cite

Roll of home may be  
There's over eleven since she's been  
For machine and a feeling, I still care

Faulting to mention forms in flight  
Fabulous in dream of eve  
Flaying on the ground and your infant lives

From out of the bayous  
Seen the way is corporeal  
Little pants into nowheres  
Through Paris breaks soul  
From out of the bayous

From must have beige  
So we didn't while we seized  
Until the fog made me run  
Through that hectic glare

Love won't be forged  
And was a fog was them that cherished

Road, river and rail  
So embarrassed, I'm not sure at all  
Lies mother's daughter  
Truth is she found love

Road, river and rail  
So embarrassed, I'm not sure at all  
Lies mother's daughter  
Truth is she found love

Road, river and rail  
So embarrassed, I'm not sure at all  
Lies mother's daughter  
Truth is she found love

Road, river and rail
