Sugar hiccup, hiccup  
Sugar hiccup, makes the earth tough and tumble  
Sugar hiccup, Heavens curtsy and bow  
Sugar hiccup, makes a pig soar and swoon  
Sugar hiccup, sugar hiccup while she reels  
Sugar hiccup, sugar hiccup while she reels  
Sugar hiccup

Sugar hiccup, hiccup  
Sugar hiccup, makes the earth tough and tumble  
Sugar hiccup  
Sugar hiccup while she reels  
Sugar hiccup  
Sugar hiccup while she reels  
Sugar hiccup  
Sugar hiccup while she reels  
Sugar hiccup  
Sugar hiccup while she reels  
Sugar hiccup

Heavens curtsy and bow, sugar hiccup  
Makes a pig soar and swoon, sugar hiccup  
Heavens curtsy and bow  
Makes a pig soar and swoon now  
Sugar hiccup while she reels  
Sugar hiccup, hiccup now  
Sugar hiccup, hiccup  
Makes the earth tough and tumble
