My dreams zoom with us  
My tears have run away  
Our goal, goal collapsed  
Energy of lonesome goal

May pushes, leaves and never feels  
Shame casts offense  
Shame casts her face  
Star reason starring of the place

Safe at last  
Seeing my thoughts are in order  
Safe, fallen down this way  
I want to be just what I am

Steal more treasures, steal more gifts  
This will size creative lies  
Until we drop  
It won't free you to go look for the key

My consciousness don't look away  
What might keep them, but a slave  
What might keep them, but a slave  
My truth's not even, even half of what's

Safe at last  
Seeing my thoughts are in order  
Safe, fallen down this way  
I want to be just what I am

Safe at last  
Seeing my thoughts are in order  
Safe, fallen down this way  
I want to be just what I am

Safe at last  
Seeing my thoughts are in order  
Safe at last

Safe at last  
Seeing my thoughts are in order  
Safe, fallen down this way

I want to be just what I am

Safe at last  
Seeing my thoughts are in order  
Safe, fallen down this way  
I want to be just what I am
