My body's all offended
Heats up a balloon
And I give back his shame
And I take back my power

My body is my own
My body is mine alone
And I deserve protection
And I can create it for you

Is this what my body said
"Use me, drain me, fall around me"?
Is this what my body said
"Engulf me, I'm already dead"?

I have a perfect feel of things
Cry and shakes the wall for you
And I am moving to poison life
And drown the stars above you

My body is my own
My body is mine alone
And I deserve protection
And I can create it for you

Is this what my body said
"Use me, drain me, fall around me"?
Is this what my body said
"Engulf me, I'm already dead"?

Keep cutting myself on the edges
Of reality, reality
Keep cutting myself on the edges
Of reality, reality

Keep cutting myself on the edges of reality
(Is this what my body said?)
"Use me, drain me, fall around me"

Keep cutting myself on the edges of reality
(Is this what my body said?)
"Engulf me, I'm already dead"
